

# FUTURE LEADERS ALREADY IN SCHOOL

## 4-HOUR WORKSHOP FOR FREE IN YOUR CLASS

Learn to lead people so they eagerly join you and help bring your good ideas and dreams to life.

## INSPIRATIONAL STORY

Discover the fascinating story of Jessica Watson, who at 16 sailed around the world and proved that even big dreams are achievable.

## DEVELOP YOUR NATURAL LEADERSHIP

Be the captain of your life. Chase your dreams.

### What will you learn?

- Define your dreams and stand up for them
- Make friends and find people for support and collaboration
- Divide tasks within the team and achieve results

## ABOUT US

We are an educational company, assisting top performers and young firms in developing their people. Part of our DNA is passing on experience to those just starting out. We work with secondary school and university students, as well as educators.

## ADVANTAGE BY PEOPLE

We create a world with you where people enjoy living and working to the fullest.
