

# STARTUP ALREADY AT SCHOOL?!

## 4-HOUR WORKSHOP FOR FREE IN YOUR CLASS

You'll see new opportunities, learn how to validate and realize your ideas.

## IN THE FORM OF A TEAM GAME

In teams, you'll help the city get back on its feet, convince an investor, and come up with a new project.

## TEAM CHALLENGE AND EUROPASS CERTIFICATE

After the workshop, you'll discuss your project with local entrepreneurs or municipal representatives and receive a certificate.

### What will you learn?

- seeing new opportunities where others only see problems
- thinking through ideas and mustering the courage to fight for them
- creating a business plan to start your own StartUp

### ABOUT US

We are an educational company, assisting top performers and young firms in developing their people. Part of our DNA is passing on experience to those just starting out. We work with secondary school and university students, as well as educators.

### ADVANTAGE BY PEOPLE

We create a world with you where people enjoy living and working to the fullest.
